

Wagyu are available now in Malaysia

We are glad to announced that effective November 2017, the original wagyu from Japan are made available to be purchase in Malaysia.

As such, all restaurant operator Japan are welcome to open original wagyu BBQ or shabu-shabu in Malaysia.

MHC Co., Ltd. will provide total support throughout the entire process of starting up for Japanese companies that wish to expand their restaurant in Malaysia.

Here at MHC Co., Ltd. we provide total supports and solution for your problem!

- ① 100% Japanese investment, or even foreign capital is also possible.
- ② There is no problem even if the representative is a Japanese. Introduction is also possible.
- ③ We will introduce real estate agents to find location and land.
- ④ We can introduce local staff.
- ⑤ We introduce judicial scrivener, tax accountant, law experts.
- ⑥ We introduce companies for branding, marketing ad and sales promotion.
- ⑦ We are very confident in introducing Japanese beef and Japanese rice dealers.
